 WATERPROOF LAMINATE FLOORING

- speed of installation
- simplicity of installation
- lifespan / durability
- attractive prices
- under floor heating
- product range
- possibility of refinishing
- warmth / character

Water and laminate is no issue anymore! In 2001 Parcolys extrusion experts invented **Aqua-Step**, the first 100% water resistant laminate floor. Aqua-Step, with its unique qualities, can be used for extensive residential and commercial applications where traditional laminate cannot. Find out everything you need to know about this unique flooring system on our site!
